6/2/99

Dr. Henney, Commissioner
Food and Drug Administration
5600 Fishers Lane, Room 14-71
Rockville, MD 20857

Dear Dr. Henney:

I am concerned over the use of antibiotics to promote growth of livestock. The World Health Organization has called for a ban on the use of antibiotics for this purpose as has the European Union.

It is time for the United States to join in this effort. Please take a strong stand on this matter.

Thank you for your effort.
